Information@NewMexicoRVParksAndCampgrounds.org

This brochure brought to you by the members of the New Mexico Association of RV Parks and Campgrounds, which are listed in yellow.

Please Note: New Mexico has a new area code, 575. We have not yet determined exactly which locations will get the new area code. However, the old area code, 505, will still work for a full year after the new one is implemented. We ask for your patience during this transition period.
